

COMMUNICATIONS LAB

Galvin Library, 2nd floor (around the corner from OTS) <https://www.iit.edu/hass/student-resources/communications-lab>

Located on the upper level of Galvin Library, the Communications Lab supports Illinois Tech students by offering peer tutoring beyond traditional writing assistance to include a full range of communicative modes and partnerships across the university. Through individualized tutoring sessions and group workshops, the Comms Lab supports students as they develop into confident, effective communicators across written, visual, oral, and digital formats. Appointments can be scheduled for free 50-minute tutoring sessions with in-person and virtual options for all Illinois Tech students. Our tutors have expertise in:

- English as a Second Language (ESL) and multilingual writing
- Technical and scientific communication (lab reports, data visualization)
- Research, citational practices, and creative writing
- Oral presentations and visual communication

Appointments can be made by registering for an account at <https://illinoistech.mywconline.com>. Once registered, you can access a full schedule of available tutoring sessions and pick one that fits your needs.
