

# CERTIFICATE IN STRATEGIC MANAGEMENT

---

The Certificate in Strategic Management focuses on the theory and practice of management and leadership in the business environment, including the strategy and economics of effective decision making.

Several certificate programs are offered in management. These programs provide students with a post-baccalaureate knowledge of an area of specialization in management. Students in these programs register as certificate students. Certificate programs require a set of three or four courses. Students who are admitted to a master's degree program may apply coursework previously taken in a certificate program toward the requirements for the master's degree.

This certificate is designed for professionals who want to increase their knowledge and skills in management.
