

# CAMPUS LIFE

---

College is more than just courses. It's exploring new interests, joining clubs, and finding your passions outside of the classroom. It's advocating for your beliefs, raising awareness for a cause, and growing into a student leader. It's fun, it's challenging, and it's all about creating memories and learning lessons that you'll carry with you beyond graduation. If that sounds like a lot to manage, don't worry. The Office of Student Life (OSL) will be there with you along the way, from Welcome Week in August to Commencement in May. In between, we work closely with our more than 160 student organizations, including the Student Government Association, Union Board, and Fraternity/Sorority Life. We also support spiritual and diversity-related programming throughout the year. For a list of our registered student organizations, representing the diverse interests of our students from academics to culture and even recreation, visit this webpage.

The Office of Student Life is located in the McCormick Tribune Campus Center (MTCC). Visit us at the Welcome Desk (on the West side of the building) to find out about upcoming events, ways to get involved, or to have your questions answered. You can also email us at [welcomedesk@iit.edu](mailto:welcomedesk@iit.edu).
