Since its founding as the New Bauhaus in 1937, the Institute of Design has grown into the largest full-time graduate-only design program in the U.S. with students from around the world. The school offers a professional Master of Design degree program with areas of study in communication design, interaction design, product design, strategic design, systems thinking, and user research; a dual Master of Design/M.B.A. or a dual Master of Design/M.P.A. degree program in partnership with the Stuart School of Business; the Master of Design Methods, a nine-month program for mid-career professionals; and a Ph.D. in Design. The Institute of Design created the country's first Ph.D. design program in 1991.

Minor in Human-Centered Design

Required courses (choose a minimum of 6 credits)

ID 410 Introduction to Design Processes (3crs)
 ID 420 Fundamentals of Design (3crs)

Code	Title	Credit Hours
I PRO 497	Interprofessional Project (IPRO)	3

Domain-specific electives (choose a minimum of 6 credits**)

Code	Title	Credit Hours
BME 419	Introduction to Design Concepts in Biomedical Engineering	2
BME 420	Design Concepts in Biomedical Engineering	3
HUM 371	Fundamentals of Game Design	3
HUM 372	Interactive Storytelling	3
ITMD 361	Fundamentals of Web Development	3
ITMD 362	Human-Computer Interaction and Web Design	3
MMAE 232	Design for Innovation	3
MMAE 445	Computer-Aided Design and Manufacturing	3

**Courses in colleges outside of the Institute of Design (ID) may have additional prerequisites or limitations on enrollment. Some 4th-year students may be able to enroll in 500 level courses at ID on a case by case basis as assessed by ID faculty.
